Telephone 313.343.2570 Fax 313. 343.2572

April 2, 2010

IMPORTANT NOTICE

Please be advised the City of Harper Woods will be conducting fire hydrant flow testing in your area.

The testing will be conducted on Friday, April 9, 2010. Testing is scheduled to be performed between the hours of 8:00 p.m. and 1:00 a.m.

It is possible you may experience discolored or cloudy water, so please plan accordingly. If this should happen, it will be necessary for you to run your **cold water** until it runs clear, preferably from a bathtub or laundry tub faucet.

Also, you will want to refrain from consuming the water or doing laundry until your water runs clear.

Should you have any questions, please contact the Department of Public Works at 313-343-2570.
